## Maryland Medical Cannabis Commission Agent Registration Renewal

### NOTICE

This notice is given by William Tilburg, Executive Director of the Maryland Medical Cannabis Commission, acting pursuant to the Proclamation of Governor Lawrence J. Hogan, Jr. (the “Governor”) dated March 5, 2020 proclaiming a state of emergency and a catastrophic health emergency related to COVID-19, as it may be amended or renewed from time to time, and the Order of the Governor dated March 12, 2020 entitled “Extending Certain Licenses, Permits, Registrations, and Other Governmental Authorizations, and Authorizing Suspension of Legal Time Requirements”, as it may be amended from time to time, after finding that the action(s) described herein will not endanger the public health, welfare, or safety.

The Code of Maryland Regulations (COMAR) 10.62.09.04C, 10.62.20.04C, and 10.62.26.04C require a registered dispensary, grower, or processor agent to renew their agent registration every 2 years. In light of the Governor’s Proclamation, the Commission intends to extend the expiration date of medical cannabis registrations if the registrant is otherwise eligible for renewal and the registration would otherwise expire during the state of emergency. In these limited circumstances, a license or registration shall be extended until 30 days after the date by which the state of emergency is terminated. Pursuant to this authority, the Commission is hereby extending dispensary, grower, or processor agent registrations that are scheduled to expire between March 5, 2020 and 30 days after the date by which the state of emergency is terminated. Any effect of 10.62.09.04C, 10.62.20.04C, and 10.62.26.04C inconsistent with the foregoing is hereby suspended.

This Notice is effective immediately and shall remain in effect until 30 days after the state of emergency has been terminated and the proclamation of the catastrophic health emergency has been rescinded.
